

OneBuy  Helping
CSA schools multiply the
value of every purchase.

OneBuy is a procurement service that helps Christian organisations get more value from their purchases.

Through its partnership with Christian Schools Australia, OneBuy connects CSA member schools to preferred supplier pricing and procurement arrangements.

Participation in OneBuy multiplies value, strengthening collective buying power, improving supplier outcomes over time, and enabling benefits generated through the network to support Christian education and mission.

Why Join?

- **Preferred supplier pricing** - Negotiated on behalf of Christian organisations
- **Choice and flexibility** - Schools decide which suppliers to use. Participation is never mandatory
- **Collective buying power** - Every purchase strengthens the buying power of your school and Christian organisations Australia-wide, helping improve value over time.
- **More for mission** - Value generated through OneBuy is shared to support Christian education and other mission work across Australia.
